Art Unit: 1755

The following is an examiner's statement of reasons for allowance:

The claimed invention is novel over the prior art of record because said art fails to teach or suggest a polishing composition and method of making it, wherein the polishing composition comprises the claimed specific components. In addition, throughout the specification, critical evidence and unexpected results are provided for the selection of the claimed specific components of the claimed composition (for example, see table 1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A Marcheschi whose telephone number is (571) 272-1374. The examiner can normally be reached on M-F (8:00-5:30) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark L Bell can be reached on (571) 272-1362. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
